

## MBSF/Thrive/College Ministry Info and Guidelines

\*For college ministries wanting to represent their ministry at the Arkansas Youth Conference, up to FIVE (5) complimentary admission wristbands (plus free wristbands for the college director/spouse/family) will be provided per group at no charge.

\*These can be picked up at Osage Room (just outside Governor's Hall 1) on arrival. Let Jack Cross (U of A Thrive director) know what name they will be under by calling/texting Jack at 870-308-0514.

\*If a college ministry plans on bringing more than 5 people to AYC (to represent their college ministry), they will need to register for AYC on their own through the website or get with their local church.

\*The college ministry area will be located in Hall 1 near the North end (if you're looking at the stage, left side toward the front). We hope to expand the college area further along that side of Hall 1, even into the corner to the left of the stage area

*\*Like last year we're asking for college ministries to bring fun interactive games that students can play during free time at AYC. Use your imagination- your goal is to get students to come visit your area and get a great positive view of college ministry- get them involved- have fun (spike ball, Baggo, inflatable gaga pit,...would someone bring a portable basketball goal and have a three point shooting contest???) MAKE IT FUN!!!*

\*PLEASE contact Jack Cross (870-308-0514) at the U of A Thrive asap to let him know of your group's details (what kind of game/setup you plan on having)

\*If you'd like a slide to be displayed on the big screens during announcement loops, send an HD 16:9 JPEG to **TSTOOPS17@GMAIL.COM**

Thank you!

*Doug Goodman*
